

Support Haiti!

ATAC, the teen advisory group at the Athol Public Library, is collecting gently worn used jeans. We are participating in Aeropostale's Teens for Jeans program. If Aeropostale collects 100,000 pairs of jeans before February 14, they will match with another 100,000 pairs. The jeans will go to homeless teens in Haiti. The YMCA in Port-au-Prince will be distributing the jeans. This means Haitians will get these much-needed clothes, and will be able to take advantage of the YMCA's emergency relief and support services at the pick-up spots.

Look for the silver box with the green Teens for Jeans logo near the Circulation Desk at the library. Call 978-249-9515 for more information.
