Challenges and Prizes

Log your reading online and then stop by the library to pick up your chance for a prize. Try participating in programs, sharing your favorite book, helping the earth, making music, and more to complete special challenges and earn prizes!

Parents may help young children complete challenges. Some challenges may ask users to submit a photo. If you need help, ask library staff for help when you visit.

Having Log In Trouble?

If you have forgotten your password, click on the "I forgot my password" link in Wandoo or stop at the Children's Desk to pick up instructions to reset your password.
