On Call Teen Volunteers are contacted when the library needs extra hands for special events. Times and dates of events will vary. Each time there is an event or project that the library needs assistance with a library staff will send out an email asking for volunteers. If you are available and interested in helping, please reply to the email as soon as possible.

For events or projects where a limited number of volunteers is needed roles will be assigned on a first come/reply, first serve basis. We will send out a follow up email when all available positions are filled.

Why are you interested in volunteering at the library?

Completed applications should be brought to Emily at the Athol Public Library, Teen Space.

Teens applying to volunteer at the library should consider joining ATAC (Athol Teen Advisory Council) which meets every fourth Tuesday during the school year from 5-6pm. The group helps plan teen programs, suggests materials, participates in community projects, and enjoys other activities. Each meeting is considered one hour of volunteer service. Contact Emily in the Teen Space to find out more

Thank you for your interest in volunteering at the library! We will send an email you to confirm your application and email address.
