Science
Backpacks

The graphic features a blue speech bubble with the text 'Science Backpacks' at the top. Below it, a stylized atom with a yellow nucleus and purple, blue, and red electron orbits is centered. Underneath the atom are three pieces of laboratory glassware: a round-bottom flask with green liquid, a beaker with red liquid and a green stirrer, and a conical flask with green liquid and purple bubbles. The background consists of overlapping colored shapes in yellow, orange, and purple. A blue triangle points to the right, and a blue box at the bottom contains the text 'Athol Public Library'.

Athol
Public Library

▶ About the Science Backpacks

Science backpacks are available for loan to families, teachers, and home school groups for a three week period with one renewal.

Reserves are accepted.

Please allow extra time for check out and check in.

Each user is asked to complete an evaluation form to be returned with the backpack.

We can visit schools for workshops. (See reverse for additional kit resources). Please contact Angela Dumas in the Children's Library at 978-249-9515 for information.

Backpack Titles
